Your recent application has been processed and attached you will find your Merchants Certificate of Registration License.

A merchants certificate of registration license is issued as a prerequisite to conduct the business of merchant and payment of tax on retail sales. Preprinted sales and use tax report forms will be mailed to you under separate cover. A report must be filed each month, unless directed otherwise, by the fifteenth day of the month following the month in which the tax accrues, beginning with the current month. If you do not owe any tax for a month, you should file a report showing "No Tax Due." We are enclosing two blank report forms for your use until you receive your preprinted forms. We are also enclosing general information for newly registered taxpayers, a list of post offices and incorporated cities or towns and their applicable rates of local tax, an order form for sales and use tax technical bulletins, and a 6% combined State and local sales and use tax chart.

This license should be detached and posted conspicuously at the place of business for which it was obtained.
