Where do I begin?

First, decide how you want to file your deposits/returns – online or by touch-tone telephone. The deposit/return must always be filed first through eFile & Pay.

Second, choose how you will pay:

- **ePay** (free direct debit): Your bank may need the IDR ePay Bank Filter (Company-ID): 1421590141.
- **ACH Credit** (through your financial institution)
- **Credit Card** (information provided while filing)
- **Mail a Check** (using online payment voucher)

How often do I file and pay taxes?

The filing frequency listed above indicates how often you file and pay. A return must be filed even if you had no activity or no tax due.

What if someone else files my returns for me?

Please share this information with that person.

What if I am registered for multiple tax types?

The same BEN, User ID, and Password are used for all tax types.
